# “ REVIEW

We held the party following our wedding at The Long Shot and were absolutely blown away! From start to finish, the entire experience exceeded our expectations.

Ed was especially fantastic, he went above and beyond to connect us with a brilliant DJ and even helped arrange decorators who transformed the space with a dancefloor and an explosion of balloons. The atmosphere was magical and it set the tone for an unforgettable night.

The food was outstanding, top tier in both quality and variety. We opted for a smaller buffet in the afternoon and a larger buffet in the evening, with gorgeous pizzas, sandwiches, charcuterie and all kinds! Our guests couldn't stop raving about it and everyone left full and happy. We were especially impressed by how thoughtfully the team catered to different dietary requirements, providing clear options for vegan, vegetarian and halal guests well in advance.

The staff were nothing short of incredible. The bar team brought amazing energy, keeping the drinks flowing with lightning-fast service, sharp wit, and endless good vibes. They juggled welcome drinks, toasts, and the needs of over 100 guests without missing a beat.

Behind the scenes, the management team worked tirelessly to make sure the day ran seamlessly. They allowed us to decorate early, carefully stored our wedding cake and even kept hold of our belongings overnight for easy collection the next morning. Their support took all the stress away and let us just enjoy the celebration.

We truly could not recommend The Long Shot enough for weddings, parties or any special occasion. The whole day was perfect from start to finish and we loved every single moment!

## Party Venue

### No Venue Hire Cost

Set on Liverpool's world-famous Albert Dock, our venue is the perfect setting for any celebration — **birthdays, wedding receptions, engagements, christenings, work events, and everything in between.**

A memorable occasion deserves an extraordinary space. Spread across two floors of versatile, flexible layout, we host hundreds of private events, festive gatherings, and weddings every year. Your guests will be captivated by our waterfront location, magnificent original dock features, and unique heritage — all complemented by flawless service.

The venue holds a little over 150 guests at full capacity. If you'd prefer a more intimate setting, our First floor accommodates up to 90 guests and is available to hire on its own at a reduced rate.

We operate on a minimum spend rather than a fixed hire fee, and we always make sure the figure is realistic for your event. It's based on the size of your party, how much of the venue you need, the duration of your hire, and the time of year — so a Monday in January will naturally be lower than the Saturday before Christmas. The aim is simple: we close the venue to the public and staff it properly so your guests are looked after from start to finish.

Get in touch and we'll put together a quote tailored to your plans.

## Minimum Spend

All min. spend agreements are very achievable. We know this because we've had hundreds of bookings so we have plenty of experience. **We do not charge a hire fee but agree a minimum spend. Really, we don't!**

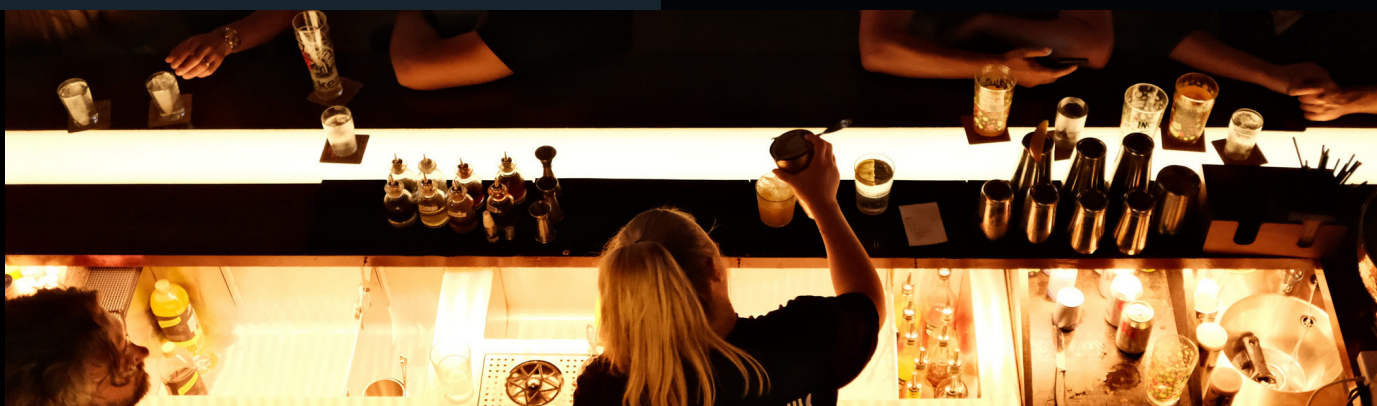

## Fully Customisable

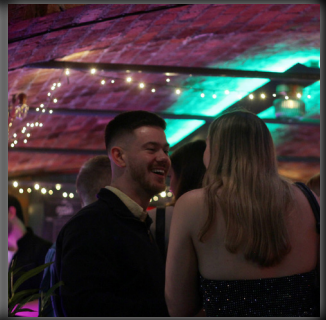

Our venue can be customised to meet your requirements - all lighting can be customised - the entire venue can be coloured and altered to your wishes - it's your venue for the night! **Yes, we cover the electricity costs!**

## No Hidden Charges

There's no hidden charges at The Long Shot. We assure you that what you see is what you get.
